1. Deputy M. Tadier of St. Brelade will ask the following question of the Chief Minister –

“Will the Chief Minister explain under what circumstances a public employee who voluntarily resigns from their position, for example, to spend more time with their family, would then be entitled to financial compensation in excess of their annual salary?”
2. Deputy A.D. Lewis of St. Helier will ask the following question of the Minister for Social Security –

“Could the Minister advise how the enforcement of the mandatory requirement for all employers to pay the minimum wage is currently policed and what, if any, cases of non-compliance have been reported in the last 12 months?”
3. Deputy S.Y. Mézec of St. Helier will ask the following question of the Chief Minister –

“Does the Chief Minister consider that new user-pays charges are actually taxes, and if so, will he acknowledge that, under his leadership, taxes for ordinary Islanders will rise and advise how this reconciles with statements made before, during and after the election, that a government led by him would only raise taxes as a last resort?”
4. The Deputy of St. Mary will ask the following question of the Minister for Health and Social Services –

“Is it the case that a disproportionate number of admissions to Accident and Emergency, particularly at weekends, relate to conditions induced by the intake of excessive alcohol or drugs and that such admissions deflect medical staff from attending other emergencies and impact upon the overall health budget and will the Minister therefore introduce a standard charge payable by the ‘patient’ when their condition is self-inflicted?”
5. Deputy R. Labey of St. Helier will ask the following question of the Minister for Treasury and Resources –

“Will the Minister, as shareholder representative, advise whether JT is resisting wholesale access for competitors to its single line network by restricting customer transfers to 20 per day and, if so, will the Minister raise this with the JT Board, together with the failure of JT to allow wholesale rental on multiple lines and broadband, and fixed number portability, so that these matters of public interest are dealt with urgently?”
6. Deputy G.P. Southern of St. Helier will ask the following question of the Minister for Housing –

“Can the Minister account for the increase in void times reported by Andium Homes due to an increase in refusals through the Affordable Housing Gateway and advise what measures are under consideration to improve this apparent inefficiency?”
7. Deputy J.A. Martin of St. Helier will ask the following question of the Minister for Housing –

“Have there been any discussions with local housing trusts regarding the possible introduction of a scheme to provide for the sale of their housing stock to existing tenants, in an initiative similar to the Right to Buy scheme in the UK, and if not, why not?”

8. Deputy A.D. Lewis of St. Helier will ask the following question of the Chief Minister –

“Once the value of a living wage for Jersey has been calculated and the Living Wage Foundation established in Jersey, would the Minister be prepared to recommend to the Council of Ministers that the States of Jersey becomes an accredited member of the Living Wage Foundation and thus ensure that all employees and, in particular, the employees of subcontractors, are paid a living wage?”

9. Deputy J.A. Martin of St. Helier will ask the following question of the Minister for Home Affairs –

“Would the Minister inform the Assembly what difficulties, if any, have been caused by the decision of England and Wales that prisoners cannot, at the present time, be re-located to a prison in the vicinity of their family and friends and state how the prison plans to manage high-profile prisoners who are required to complete a long prison sentence under these circumstances?”

10. Deputy M. Tadier of St. Brelade will ask the following question of the Minister for Treasury and Resources –

“Further to a response to a question on 4th February 2014 by his predecessor that he had met with the States of Jersey Development Company the day before and was “absolutely clear with the SoJDC” that “their buildings are to be progressed on a fully-let basis”, can the Minister confirm that the minutes of that meeting reflect this, and state exactly what the minutes record, if anything, in this regard?”

11. Deputy S.Y. Mézec of St. Helier will ask the following question of the Minister for Social Security –

“Would the Minister consider amending the Income Support (Jersey) Law 2007 to allow single parents to continue to receive the lone-parent component of income support after their child turns 19, so long as their child is still in full time education?”

12. Deputy G.P. Southern of St. Helier will ask the following question of the Chief Minister –

“Does the Chief Minister believe that issuing an open invitation to over 7,000 States employees to consider voluntary release was the most efficient mechanism to achieve targets for a reduction in the number of States posts, and will he further inform members what the external advisors have contributed so far towards achieving these targets?”
