Dear Jess,

### **Population and Migration Policy Review**

Thank you for your letter of the 20th June regarding the work of the Migration Policy Development Board.

As Chief Minister I was responsible for setting up the board and for giving a strategic overview to the Board's work, and direction to its Chairman, Connétable Taylor. This included the report that I commissioned from Statistics Jersey soon after I took office, which examined the monetary impact of immigration in relation to Jersey households' taxation and contributions.

I trust, following the Scrutiny hearing which I attended on the 25<sup>th</sup> June, this answers the queries set out in your letter.

Yours sincerely,
