1. Item 3 07.12.06	Call for Evidence Design of Homes Review The Panel was reminded that it had authorised a Design of Homes Review call for evidence advert to be placed in the Jersey Evening Post for a period of three nights under the usual terms and conditions at its meeting of the 7th December 2006. The Panel noted that the lead members Deputy Power was seeking to raise the profile of the review by re-running the advert previously placed in the JEP and extending the submission closing date until the end of the month. The Panel noted that the costs incurred would be the same as the previous advert run and authorised the expenditure.	CLQ
