R&O.137/2021.

Road Traffic (Parking) (General Provisions and Penalties) (Jersey) Order 2021.
Minister for Infrastructure.

This Order brings together a number of provisions concerned with parking into a single Order.

Part 1 and *Article 1* contain the definitions.

Part 2 is concerned with parking on roads and contains parking provisions moved and standardized from the various Parish Orders. *Division 1* is concerned with paying parking places on roads and sets out the general conditions applicable to parking in such places, the charges for parking there and the moving of vehicles incorrectly parked or in an emergency. *Division 2* makes general provision for disc parking on roads and the applicable conditions.

Part 3 introduces penalty charges for certain parking contraventions, payable by the registered owner of the relevant vehicle to the enforcement authority. The maximum penalty that may be imposed is £200 with power for the enforcement authority to set the amount subject to that maximum, after giving one month's notice of the charges in the Jersey Gazette, and to set a discounted rate for early payment. If payment is not made within the 21-day payment period, unless challenged and if challenged not cancelled, the enforcement authority may recover the amount of the penalty charge as a debt (*Article 9*).

Article 10 sets out the procedure for issuing a penalty charge notice and *Article 11* sets out how a penalty charge may be challenged by referring it to a parking adjudicator appointed by the enforcement authority.

Article 12 deals with the situation where an enforcement authority seeks to recover the amount of the penalty charge by bringing proceedings in the Petty Debts Court.

Part 4 contains miscellaneous provisions. *Article 13* preserves the old law in the case of parking contraventions occurring before the commencement of the Order. *Article 14* introduces the *Schedule* which contains a large number of consequential provisions. They mainly relate to the revoking of parking provisions in the various Parish Orders as a consequence of the new standardized provisions. Adjustments are also made to the Order dealing with parking by disabled persons and to the Orders relating to public parking places and Sand Street Car Park as a result of the new penalty charge regime.

Article 15 provides for the citation of the Order and its commencement on 1st February 2022.
