**STATES GREFFE**

## REPORT

On 21st September 2012, the Minister for Planning and Environment made a Ministerial Decision delegating certain of his functions under Article 28 of the States of Jersey Law 2005 (MD-PE-2012-0099, available at [www.gov.je](http://www.gov.je)).

Article 28 of the States of Jersey Law 2005 permits a Minister to delegate, wholly or partly, functions to an Assistant Minister or an officer.

The Law states, *inter alia* –

### “28 Power of Minister to delegate functions

- (1) A Minister may delegate, wholly or partly, functions conferred upon or vested in the Minister by or under this Law or any other enactment or any enactment of the United Kingdom having effect in Jersey, to –
  - (a) one of his or her Assistant Ministers;
  - (b) an officer.
- (2) A Minister shall not delegate –
  - (a) any power to make an enactment;
  - (b) any power to decide an appeal under an enactment;
  - (c) any function the delegation of which is prohibited by an enactment.
- (3) The delegation of functions by a Minister under this Article shall not prevent the Minister exercising those functions personally.
- (4) Where any licence, permit or authorization is granted in purported exercise of functions delegated under paragraph (1), no criminal proceedings shall lie against any person for any act done, or omitted to be done, in good faith and in accordance with the terms of the licence, permit or authorization, by reason that the functions had not been delegated, or that any requirement attached to the delegation of the functions had not been complied with.
- (5) In this Article –
 

“Minister” includes the Chief Minister;

“officer” means a States’ employee within the meaning of the Employment of States of Jersey Employees (Jersey) Law 2005 and includes a member of the States of Jersey Police Force and an officer appointed under paragraph 1(1) of Part 1 of Schedule 2 to the Immigration Act 1971 as extended to Jersey by the Immigration (Jersey) Order 1993.
- (6) The States may by Regulations amend the definition “officer” in paragraph (5).”

The terms of the delegations, and the legislation under which those delegations were made, were recorded in a Report attached to the Ministerial Decision, as shown below –

-----

<p><b>1. By virtue of the power conferred on him by Article 28(1) of the States of Jersey Law 2005 the Minister has delegated to the Assistant Minister the following functions conferred upon or vested in him:</b></p> <p>1.1 The lodging of a Proposition with the States Assembly in accordance with Standing Order 19(c) of the Standing Orders of the States of Jersey.</p> <p>1.2 Presenting of Reports or Comments to the States Assembly in accordance with Standing Order 35(1)(b) of the Standing Orders of the States of Jersey.</p> <p>1.3 Where the Minister has indicated, for whatever reason, to the Assistant Minister that making any such decision is appropriate.</p>

	consider approving the application it may grant such a permission.	
	3. Where the Planning Applications Panel is minded to reach a decision on an application which is fundamentally contrary to the Department's recommendation, the decision will not be taken at that meeting, but referred to the Minister, who may seek further information, issue advice to the Panel, or decide the application him/herself (under Ministerial Decision MD-PE-2006-0012).	
	4. Neither the Planning Applications Panel, nor any authorized officer, will make any decision or otherwise exercise any function in any case in which the Minister has given notice that he wishes to make the decision or exercise the function himself. Such indication may be given at any stage prior to the making of the decision or exercise of the function in pursuance of the delegated powers.	
	5. Where it is considered beneficial, the Minister may sit with the Planning Applications Panel.	
	6. In relation to all powers indicated above – save for those in relation to the Building Bye-Laws, Dangerous Structures and Caravans – all decisions made by an authorized officer will be made on the basis of a recommendation from another Officer. Any such recommendation shall be made in writing and must identify all the material considerations relevant to the decision to be taken or the action to be taken.	
	7. In considering applications for planning permission, authorized officers may determine applications where representations have been received, where those representations have been accommodated by revisions to the application or by the imposition of relevant conditions.	
	8. In considering applications for planning permission, authorized officers may determine applications where representations have been received from 3 or less individuals, where each individual appears to be from a separate address – when the representations are contrary to the recommendation.	
	9. In deciding whether to include a building or place on a List of Sites of Special Interest, authorized officers may take a decision when representations have been received in connection with the process but where those representations are not material in considering whether to include the building or place on any List.	
	10. In deciding whether to include a tree or group of trees on a List of Protected Trees, authorized officers may take a decision when representations have been received in connection with the process but where those representations are not material in considering whether to include the tree or group of trees on a List.	
	In deciding an application and any requirement for remedial action in connection with a submission under the High Hedges (Jersey) Law 2008, authorized officers may only make a decision when representations have not been received from the owner of the hedge that is the subject of the application.
