Dear Scrutiny Panel,

SR	
----	--

With reference to your letter dated
18th May 2007 regarding Early Years
Review.

As I have written previously, I
do not have any other comments
to add, so please take the
relevant information from my last
letter.

I am however very pleased that
Education, Sport and Culture
see the value of this proposal
and are keen for it to be examined
further.

Yours Faithfully
