COMMENTS

The Minister for Treasury and Resources considers that Members should weigh up very carefully whether such an undertaking represents best use of financial resources.

In the event that the Assembly approves this proposition unamended, the Minister believes that funding should, in the first instance, be sought from the cash limit of the States Assembly – which falls under the political control of the Privileges and Procedures Committee. The States Assembly had an under-spend of approximately £130,000 in 2010. Its cash limit for 2011 is £5.2 million.
