R&O.115/2014.

These Rules of Court – consisting of 7 Rules – amend the Court of Appeal (Civil) Rules 1964 (“the principal Rules”).

Rule 1 merely defines the principal Rules.

Thereafter the amendments fall into 2 categories:

1. Judicial Greffe procedures

Rule 2 – (amending definitions in Rule 1(1) of the principal Rules)

- There is a minor consequential amendment in the definition of “respondent’s case”.
- The expression “timings letter” is defined as the letter referred to in Rule 8.
- The word “transcript” is defined (having abandoned references in the principal Rules to the “transcript of the shorthand note”).

Rule 3 – (amending Rule 3 of the principal Rules)

Rule 3 of the principal Rules requires an appeal in a civil matter to be brought “*within one month from the date on which the judgment or order of the court below was pronounced.*” In relation to criminal and quasi-criminal appeals, the Court of Appeal (Jersey) Law 1961 requires the appeal to be brought within 28 days. Rule 3 (of the amending Rules) substitutes replaces ‘one month’ in Rule 3 of the principal Rules with ‘28 days’.

Rule 4 – substituting Rules 7, 8, 9 and 10 of the principal Rules

Rule 7 – Transcript

The new Rule 7 makes it clear that, subject to any direction of the court, after an appeal has been set down, the Judicial Greffier shall, at the request of either party to the appeal, make a transcript of the official record of the proceedings at the hearing. The transcript has to be furnished to the appellant and to every other party to the appeal upon payment of such charges as are fixed for the time being by rules of court pursuant to Article 21(4) of the Court of Appeal (Jersey) Law 1961.

Rule 8 – Documents, timetable

The new Rule 8 makes it clear that the Judicial Greffier is required, within 7 days of receiving the notice of appeal, to prepare and circulate to each of the parties to the appeal a ‘timings letter’ containing a timetable of the dates by which submissions and other documents in the appeal are to be lodged, and specifying certain other procedural matters, including notice of the sitting of the Court of Appeal at which the appeal is scheduled to be heard.

The appellant is required, in accordance with the timetable, to lodge with the Judicial Greffier the appellant’s case i.e. various acts, documents, pleadings, exhibits etc. germane to the appeal, including the order, judgment, decree or award under appeal; and to deliver the same to all other parties.

The respondent is similarly required, in accordance with the timetable, to lodge with the Judicial Greffier a respondent’s case *which sets out the respondent’s* contentions and authorities (and to deliver to the same appellant within 2 days).

Rule 9 – Hearing date

The new Rule 9 makes it clear that the Judicial Greffier will circulate to each of the parties, or their advocate, a copy of the Court’s agenda for the relevant sitting no later than 7 days before the first day of the sitting of the Court of Appeal at which the appeal is scheduled to be heard.

Rule 10 – Abandonment by non-prosecution

The new Rule 10 involves a consequential amendment and simplification only.

Rule 5 – (amending Rule 14 of the principal Rules)

The reference to an official shorthand note (of evidence in the court below) is deleted.

2. The Terrorist Asset-Freezing/Money Laundering etc. amendments

Rule 6 – (inserting Rule 18A in the principal Rules)

The Terrorist Asset-Freezing (Jersey) Law 2011 (“the 2011 Law”) provides for financial restrictions on persons suspected of involvement in terrorist activities. The Money Laundering and Weapons Development (Directions) (Jersey) Law 2012 (“the 2012 Law”) provides for directions to be given to

persons in response to threats from abroad relating to money laundering, terrorist financing or weapons development.

Rule 6 inserts a new Rule 18A in the principal Rules in relation to appeals against decisions of the Royal Court in proceedings brought under Article 28 or Article 29 of the 2011 Law, or under Article 10 of the 2012 Law.

The effect is that an appeal against a decision of the Royal Court in such proceedings brought is conducted in accordance with the principal Rules, but subject to certain adaptations and modifications set out in *Rule 6* to accommodate the non-disclosure and special counsel régimes under those Laws. Rules 16A/7 to 16A/17 of the Royal Court Rules 2004 are rendered applicable to the appeal proceedings as they applied in relation to the proceedings in the Royal Court.

Rule 7 – Citation and commencement

Rule 7 is the citation and commencement provision.

The Rules were made by the Court of Appeal on 28th July 2014 and came into force on 1st September 2014.

R&O.116/2014

This Order amends the Pedal Cycles (Jersey) Order 1998 to provide for the wearing of helmets by children on pedal cycles or trailers drawn by pedal cycles, following the amendment of the Road Traffic (Jersey) Law 1956 (the “Law”) by the Road Traffic (No. 60) (Jersey) Regulations 2014.

Article 1 defines the “principal Order” as the Pedal Cycles (Jersey) Order 1998, and *Article 2* amends the enacting provision of that Order to include Article 45A of the Law, under which this Order is made.

Article 3 inserts a new Article 6A in the principal Order. Paragraph (1) sets the age for wearing a helmet at 13 years or younger. Paragraph (2) imposes the requirement to wear a helmet, securely fastened and in compliance with the further requirements in the *Schedule*. The helmet must be no more than 10 years old.

Paragraphs (3) and (4) contain exceptions to the requirement to wear a helmet. No helmet is required: on a sea beach (which otherwise is a road under the definition in Article 1(1) of the Law); if the cycle is controlled by an adult pedestrian, but only on a cycle track, on a green lane or on a part of a road other than the carriageway; in a trailer, but only in certain circumstances; if the cycle has 4 or more wheels, but only on a cycle track; or for a Sikh child wearing a turban. The circumstances in which the exception for a trailer applies are when all of the following apply: the trailer is attached by a hinge to the cycle; the trailer has at least 2 wheels in parallel; the trailer complies with the relevant European Standard; the child uses the safety belt; and the child is not too tall for the trailer.

Articles 4 and 5 amend Articles 7 and 8 of the principal Order so that the powers to test and inspect pedal cycles also apply to helmets (and to trailers, where the exception applies), and so that the general offence does not apply to the new provisions on helmets (the relevant offences are instead set out in Article 45A of the Law).

Article 6 adds a new Schedule to the principal Order to set standards for helmets (see below).

Article 7 names this Order and brings it into force on 6th October 2014.

The *Schedule* contains the new Schedule to the principal Order, which sets standards for helmets. The helmet itself must comply with a listed European or non-European standard. The applicable version of that standard is the version in effect when the helmet was manufactured (but the helmet cannot be over 10 years old – see note on *Article 3* above).

For a European standard, the child’s head must match the marked size of the helmet and the helmet must be adjusted and positioned in accordance with the manufacturer’s instructions. For a non-European standard (which must be identified on the helmet, even if the standard does not require that), any equivalent requirements must be met.

The Order was made on 29th July 2014 and comes into force on 6th October 2014.

R&O.117/2014

This Order gives effect in Jersey to the Council Regulation made on 30th July 2014 amending Council Regulation (EU) No. 692/2014 concerning restrictions on the import into the Union of goods originating in Crimea or Sevastopol in response to the illegal annexation of Crimea and Sevastopol. The amended Regulation provides for a ban on new investments in the infrastructure in the sectors of transport, telecommunications and energy and the exploitation of natural resources in Crimea and Sevastopol, as well as an export ban on key equipment and technology related to those sectors.

The Order was made on 30th July 2014 and came into force on 31st July 2014.

R&O.118/2014

This Order further amends the Community Provisions (Restrictive Measures – Ukraine) (Jersey) Order 2014, to give effect in Jersey to Council Implementing Regulation (EU) No. 810/2014 of 25 July 2014 implementing Regulation (EU) No. 269/2014 of 17 March 2014 concerning restrictive measures in respect of actions undermining or threatening the territorial integrity, sovereignty and independence of Ukraine (OJ No. L 221/1, 25.7.2014) (the “Implementing Regulation”), and to Council Regulation (EU) No. 811/2014 of 25 July 2014 amending Regulation (EU) No. 269/2014 concerning restrictive measures, etc. (OJ No. L 221/11, 25.7.2014) (the “Council Regulation”). The Council Regulation expands the scope of the list of persons, entities and bodies who may be subjected to restrictive measures, so as to enable the inclusion of (among others) persons responsible for, actively supporting or implementing actions or policies which obstruct the work of international organizations in Ukraine. The Implementing Regulation adds certain natural and legal persons and entities to the list of those subject to restrictive measures in Annex I to Regulation (EU) No. 269/2014.

The Order was made on 30th July 2014 and came into force on 31st July 2014.

R&O.119/2014

This Order amends 3 Orders made under the Social Security (Jersey) Law 1974 so as to substitute references to a fixed pensionable age of 65 with references to the raised pensionable age that is being phased in by the amendments to that Law made by the Social Security (Amendment of Law No. 7) (Jersey) Regulations 2014.

The Orders amended are – the Social Security (Accident Benefit) (Jersey) Order 1974, the Social Security (Contributions) (Jersey) Order 1975 and the Social Security (Incapacity Benefits) (Jersey) Order 2004.

These amendments amend rules regarding the calculation of a person’s income for the purposes of income support, so that rules which currently turn upon whether or not a person has attained the age of 65 will turn upon whether or not the person has attained pensionable age, as defined in the Social Security (Jersey) Law 1974.

The Order was made on 31st July 2014 and came into force on 1st August 2014.

R&O.121/2014

The Order is subject to the Road Racing (General Provisions) (Jersey) Order 1959.

The Order was made on 1st August 2014 and came into force forthwith.

R&O.122/2014

This Order further amends the Community Provisions (Restrictive Measures – Ukraine) (Jersey) Order 2014 by giving effect in Jersey to the amendments made by Council Implementing Regulation (EU) No. 826/2014 (OJ No. L226, 30.7.2014, p.16) to Annex I to Council Regulation (EU) No. 269/2014 of 17 March 2014 concerning restrictive measures in respect of actions undermining or threatening the territorial integrity, sovereignty and independence of Ukraine, adding to the list of natural and legal persons, entities and bodies that are subject to restrictive measures in view of the gravity of the situation in Ukraine.

The Order was made on 1st August 2014 and came into force on 2nd August 2014.

R&O.123/2014

Those sanctions include a prohibition on the sale, supply, transfer or export of certain goods and technology to Russia for military use; a requirement for authorisation for the sale etc. of certain other equipment and technologies related to oil exploration and production (listed in Annex II to the Council Regulation) to Russia or for use in Russia; and prohibitions on the provision of technical and financial assistance and brokering services related to such goods and technology, or dealing with certain securities and money-market instruments issued by entities listed in Annex III.

Article 3(2) of the Order modifies Article 113(1B) of the Law in respect of its application to a company of a class referred to in *Article 3(1)* of the Order to provide that the resolution must be passed by all members of the company entitled to vote in general meeting and a printed copy must be embodied in or annexed to every copy of the memorandum or articles issued after the passing of the resolution and forwarded to a member of the company at the member's request on payment of such sum (if any), not exceeding the published maximum, as the company may require. Within 21 days after the resolution is passed it must be delivered to the registrar and be recorded by the registrar. The resolution has the effect of disapplying the requirement to appoint an auditor to examine and report on accounts of the company from the date that it is delivered to the Registrar.

Article 3(3) of the Order provides that Article 113(1C), (1D) and (1E) of the Law shall not apply to the classes of companies referred to in *Article 3(1)* of the Order.

Article 4 of the Order sets out the title of the Order and provides for it to come into force on the same day as the Companies (Amendment No. 11) (Jersey) Law 2014.

The Order was made on 1st August 2014 and came into force on the same date.

R&O.127/2014

This Order amends Article 40 of the Companies (Uncertificated Securities) (Jersey) Order 1999 by providing that, when determining the earliest time that the issuer may specify for a person to be entered on the relevant register of securities in order to have the right to vote at a meeting (being 48 hours before the time fixed for the meeting), no account should be taken of any part of a day that is not a working day.

R&O.128/2014

This Order re-names the Consumer Safety (Protective Helmets) (Jersey) Order 2006 as the Consumer Safety (Motor Cycle Helmets) (Jersey) Order 2006.

The Road Traffic (Jersey) Law 1956 has been amended to introduce separate provision for protective helmets for pedal cycles (in relation to children), which then is to be distinguished from provision for protective helmets for motor cycles. This amendment therefore follows suit for the consumer safety Order that deals with motor cycle helmets rather than pedal cycle helmets.

It should also be noted that the use of the expression "Motor Cycle" in the new title, without reference to a moped, does not change the position that the Order continues to apply expressly to all such helmets, whether required for motor cycles or mopeds.

The Order was made on 4th August 2014 and came into force on 1st September 2014.

R&O.129/2014

The Order was made on 4th August 2014 and came into force on 18th August 2014.

R&O.130/2014

This Order amends Article 26 of the Weights and Measures (General Provisions) (Jersey) Order 1968, which regulates liquid capacity measures for use for the sale of intoxicating liquor, to allow those measures to be made of stainless steel (as an alternative to glass or transparent plastic).

The Order also amends the table in paragraph 2 of Part 2 of Schedule 1 to the Weights and Measures (General Provisions) (Jersey) Order 1968, to prescribe a limit of error of 4 fluid drachms in relation to a liquid capacity measure of 2/3 pint.

The Order was made on 15th August 2014 and came into force on 29th August 2014.

R&O.137/2014

This Order renames the Road Traffic (Protective Helmets) (Jersey) Order 2004 as the “Road Traffic (Motor Cycle Helmets) (Jersey) Order 2004” (the “2004 Order”), to make clear that the 2004 Order relates to helmets for motor cycles (including mopeds) and not to helmets for pedal cycles.

The Road Traffic (No. 60) (Jersey) Regulations 2014 amended the Road Traffic (Jersey) Law 1956 to provide for wearing of protective helmets by children on pedal cycles, by inserting a new Article 45A into that Law. Those Regulations accordingly amended the heading to Article 45 of that Law to read “Motor cycle helmets” instead of “Protective helmets”. This Order therefore follows suit by renaming the 2004 Order, which is made under that Article of that Law.

This Order also updates the reference in the renamed 2004 Order to the related Order under the Consumer Safety (Jersey) Law 2006 dealing with motor cycle helmets (which in turn is to be renamed to show that it relates to motor cycles and not to pedal cycles).

This Order comes into force immediately after the commencement of the Order renaming the related Order under the Consumer Safety (Jersey) Law 2006.

The Order was made on 15th August 2014 and came into force on 1st September 2014.

R&O.138/2014

This Order provides for the production or condition reports at the commencement and termination of residential tenancies.

Article 1 defines “condition report”, requires it to be in writing and allows it to include images.

Article 2 states what a condition report must contain and requires it to specify the condition of the residential unit to which it relates and to itemise any fixtures, fittings and movables belonging to the landlord.

Article 3 requires the landlord to complete a condition report at or before the commencement of the tenancy. Within 7 days of the tenant’s vacating the residential unit the landlord must confirm in writing to the tenant the landlord’s satisfaction with the condition of the residential unit or complete another condition report. The landlord must provide 2 signed copies of the report to the tenant within 7 days of its completion. If the tenancy is varied or renewed and the landlord and tenant agree, the condition report prepared at the commencement of the tenancy has effect.

Article 4 requires the tenant, within 7 days of receiving the condition report, to accept it or mark on it the modifications the tenant thinks appropriate, failing which he or she is taken to have accepted the report. The landlord then has 7 days to accept the report or try and reach agreement with the tenant, failing which the landlord is taken to have accepted the report as modified by the tenant. If agreement is attempted but fails the report is not treated as accepted and in the event of the matter being considered in proceedings both parties have to provide their best evidence refuting the report, or the modifications to it, as the case may be.

Article 5 provides for the condition report, if accepted or treated as accepted, to be conclusive evidence of the condition of the residential unit and the provision or condition of the landlord’s fixtures, fittings and movables, at the time of the report.

Article 6 makes it an offence to contravene Article 3, punishable with a fine of up to level 3 on the standard scale.

Article 7 names the Order and provides for its commencement.

Under the Criminal Justice (Standard Scale of Fines) (Jersey) Law 1993, the standard scale of fines is –

Level 1	£50
Level 2	£500
Level 3	£2,000
Level 4	£5,000.

The Order was made on 19th August 2014 and comes into force on 31st October 2014.

This Order also allows for the removal of Article 2(2) of the principal Order which provided for the reduction in the maintenance costs for a student who has not attained 18 years who is undertaking a vocational arts course.

The minimum value of the relevant assets which are taken into account in assessing the final contribution is reduced from £750,000 to £500,000.

The amendment brings the dispensing fee in line with the RPI (Y) (retail price index excluding mortgage interest payments and direct taxes) value of 1.6% and will take effect from 1st October 2014.

Schedule 5 to the principal Order is also amended to add zopiclone to the list of drugs for which an additional dispensing fee is payable if the prescription is endorsed C.D. by the approved supplier.

This Order also provides for the substitution of Schedule 6 of the principal Order to reduce the discounting scale used to recoup the portion of the discount given to pharmacies by manufacturers and wholesalers from 15% to 10%.

The Order was made on 29th August 2014 and comes into force on 1st October 2014.

R&O.142/2014.

- c) advise, during the last year, on how many occasions customers have been wrongly charged via Direct Debit and the amounts involved?”

2. The Minister for Treasury and Resources will table an answer to the following question asked by Deputy J.A.N. Le Fondré of St. Lawrence -

6. The Minister for Treasury and Resources will table an answer to the following question asked by Deputy S.S.P.A. Power of St. Brelade -

“In light of the fact that the Jersey all-items RPI (annual averages for each year) shows that in the 5 years from 2008-2013 prices have risen by 13%, an annual average of 2.5% per annum, and that figures provided to me over the summer period by the Statistics Unit show that a person receiving no pay increases over that period will have seen a real-term fall in earnings of -13%, a person receiving a 1% increase per year a real-term fall in earnings of -8% and a person receiving a 2% increase per year a real term fall in earnings of -2%, does the Minister consider that he any scope for a tax increase in any area in the forthcoming Budget when a person would have had to have received a 3% increase in pay every year to have seen a real increase in earnings?”

7. The Chief Minister will table an answer to the following question asked by Deputy M.R. Higgins of St. Helier -

“Will the Chief Minister, in view of his political responsibility for justice matters, state -

- (a) whether he considers there is a place for court proceedings to be held in private in a democratic society such as Jersey and if so, in what circumstances he considers they are acceptable and/or justified including, in particular, whether he considers they are acceptable for cases under the data protection law?
- (b) whether he considers that the full cost to the taxpayer of all cases heard in private should be accounted for openly, transparently and itemized so it is not hidden from the public by being merged or accounted for within other budget headings to ensure that those responsible for the public expenditure can be held accountable for the expenditure;
- (c) whether he is concerned that the holding of cases in private impacts on Jersey’s reputation in the world?”

“Will the Attorney General advise Members -

- (a) whether he issues guidance to the Police and States departments on what crimes or regulatory breaches that they should or should not investigate or upon the degree to which any offence, criminal or regulatory, that is committed before they should take steps to institute a prosecution?
- (b) whether he believes that such guidance should be published to the public in a transparent way so as to all can judge whether such guidance is reasonable in the circumstances?

- (c) whether he has issued any such guidance to the States of Jersey Police with regard to cyber bullying or the operation of the Crime (Disorderly Conduct and Harassment) (Jersey) Law 2008 and, if so, what guidance he has issued for the treatment of such cases.”

11. The Minister for Treasury and Resources will table an answer to the following question asked by Deputy G.P. Southern of St. Helier -
- “Will the Minister give detailed descriptions of what capital schemes it is intended to fund to allow the use of £7.5m from funds held in the Criminal Offences Confiscation Fund and the Drug Trafficking Confiscation Fund and explain how these schemes “fit the rules set on the use of these funds?” (see page 56 of draft Budget 2015)?
- Is the Minister concerned that repeated use of ring-fenced funds such as Health Insurance Fund, the Criminal Offences Confiscation Fund and the Drug Trafficking Confiscation Fund to cover general revenue shortfalls will bring the public’s trust in the ability of the States to properly manage its revenues to a new low and, if not, why not?”
12. The Minister for Treasury and Resources will table an answer to the following question asked by Deputy G.P. Southern of St. Helier -
- “Does the Minister accept that the proposals to manage the consolidated fund balance by removing 2% from the public sector pay budget (page 56 of the Budget 2015) effectively reneges on the agreement made by the SEB for a cost of living pay award in 2015 and, if so, how does he justify this proposal?
- If not, why did he feel it was justified to refer to possible recruitment freezes (page 58) at a time when school rolls are rising and the Health and Social Services Department is already carrying vacancies for experienced specialist nurses? Did the Minister carry out an impact assessment of such a recruitment freeze on the level of public services provision before including reference to this in the Budget and, if not, why not?”

13. The Minister for Treasury and Resources will table an answer to the following question asked by Deputy G.P. Southern of St. Helier -

When did the Minister start to consider the options laid out in the Budget for action on shares/dividends in the utility companies JT, Jersey Post and Jersey Water, will he give a detailed account of when the utility companies were informed of these measures and state what discussions and meetings took place?”

14. The Minister for Treasury and Resources will table an answer to the following question asked by Deputy G.P. Southern of St. Helier -

“What assurances, if any, can the Minister give that measure taken to postpone spending on measures previously agreed by the States on Freedom of Information, early repayment of PECRS debt and the Long Term Care Fund will not be repeated in the 2016 budget?”

16. The Chief Minister will table an answer to the following question asked by the Connétable of St. Mary -

“The 2015 Budget Statement contains a proposal to reduce contingency allocation to Freedom of Information by £1million and gives the following explanation -

“In order to get ready for enactment of the Freedom of Information Law in 2015 a significant amount of the allocated budget was set aside for the recruitment of staff to work through department policies and procedures. The recruitment of these staff members has proved to be difficult with the levels of knowledge and experience available, which has meant that departments have had to use existing staff and knowledge. An element of the budget allocated to Freedom of Information could, therefore, be returned to the consolidated fund.”

Will the Chief Minister advise how the amount of this proposed reduction was identified, including identifying the departments consulted?”

Is the Chief Minister confident that this proposal will not impact negatively on the long awaited implementation of the Freedom of Information legislation?"

17. The Chief Minister will table an answer to the following question asked by Deputy G.C.L. Baudains of St. Clement -

19. The Minister for Social Security will table an answer to the following question asked by Deputy G.P. Southern of St. Helier -

"In the light of the findings of the Resolution Foundation that in the UK the number of young workers (aged 21 to 30) on low pay, defined as less than two-thirds of the median hourly wage, has risen to almost one in three (29%) what equivalent figures does the Minister have for young Jersey workers in poverty and, if none, will he agree to investigate this issue and report back to the States with his findings?"

Does the Minister agree that in the light of the findings in the Jersey/UK comparison of the cost of living study from the Statistics Unit that the cost of living in Jersey is 20% greater than the UK, that our minimum wage is currently set far below a level which would eliminate in-work poverty and will he commission a major review of the minimum wage level, and if not why not?"

Given the Minister’s recent comments that social security contributions will have to rise, can the Minister give an update of what preparatory work has been done, if any, in the area by his department and will he provide an outline of the preferred options? Does he consider that there is scope to make the contributions mechanism more progressive?”
