	<p>1. Health, Social Security and Housing Sub-Panel: Williamson Review</p> <p>The Panel noted that the Health, Social Security and Housing Scrutiny Panel had formed a Sub-Panel, chaired by Senator A. Breckon, to review the Williamson Report. It was agreed that Deputy R Le Hérisssier and Deputy T Pitman would represent the Education and Home Affairs Panel on this Sub-Panel, and further noted that Deputy R Le Hérisssier would be requesting for the Sub-Panel to consider appointing Deputy T Pitman as the Vice-Chairman of the Sub-Panel.</p> <p>The Panel noted that as this review would need to be completed in advance of the States Debate that was scheduled for June 2009, it may have a resultant impact on the Panel's planned work schedule over the next couple of months. The Panel therefore requested for its work programme for 2009 to be placed on the Panel agenda for its meeting on the 9th April, so that this matter could be further considered.</p>	EL/SP
	<p>2. Licensing Law Review: Public Consultation</p> <p>The Panel noted that the Economic Development Department had launched a Public Consultation on the Licensing Law. It was agreed that as a result of its current work load, the Panel would not be able to make a response to this consultation in advance of the deadline of the 1st June 2009.</p>
