## COMMENTS

The Privileges and Procedures Committee has made it clear in its comments on Senator Shenton's proposition that it does not support paragraph (a) of that proposition as PPC considers that it is totally inappropriate to request the SMRRB to reconvene to review its 2011 recommendation.

PPC agrees with the principle underlying the Deputy of St. Mary's amendment, namely that it would be wrong to suggest that the SMRRB should only be asked to consider matters under one of its terms of reference, but PPC strongly opposes paragraph (a) of Senator Shenton's proposition and does not believe the paragraph would be any more acceptable even if amended by this amendment.
