| 513/1/1(3) | <p>1. The Economic and Financial Impact of Migration</p> <p>The Panel attended a briefing on the Economic and Financial Impact of Migration. The Panel was taken through a series of slides to show how the model of planning for immigration to the Island fitted into the long term planning framework.</p> <p>Due to this section of the briefing concluding later than planned, the Panel requested a further briefing be arranged with the Chief Economist at a later date to discuss the financial impact of migration.</p> | JH |
