MINISTER FOR TREASURY AND RESOURCES

## REPORT

---

The amendment to Amendment of the Draft Finance (2025 Budget) (Jersey) Law 202- (P.72/2024) gives effect to the amendment to Amendment 11 in the [Proposed Budget \(Government Plan\) 2025-2028 \(P.51/2024\)](#).

The [Amendment \(P.72/2024\)](#) makes changes to Article 25 of the Finance Law in respect of the excise duty for non-commercial vehicles by amending the top three established CO<sub>2</sub> mass emission bands to £1,504; £4,830; and £9,921 respectively. There is also a corresponding change to the cylinder capacity of engine bands of £2,338; £4,830; and £9,921. This represents an increase from the 2024 rates by 10%, 15% and 25%.

The amendment to Amendment makes a change to the 151-175 g and the corresponding 2501-3000 cm<sup>3</sup> band in so far that the increase of 10% is reduced to 5%. This reverts the rate to £1,435 and £2,231 in the CO<sub>2</sub> mass emission bands and cylinder capacity of engine bands respectively.
