## **DRAFT FIRE PRECAUTIONS (AMENDMENT No. 2) (JERSEY) LAW 2012 (APPOINTED DAY) ACT 201-**

### **REPORT**

---

The purpose of this Draft Act is to bring into force the Fire Precautions (Amendment No. 2) (Jersey) Law 2012 on 1st January 2013, together with draft Regulations, should they be approved by the States. They are the Draft Fire Precautions (Designated Premises) (Jersey) Regulations 201- (P.115/2012).

The Fire Precautions (Amendment No. 2) (Jersey) Law 2012 was approved by the States on 10th July 2012 (P.54/2012). It was approved by the Privy Council on 17th October 2012 and registered in the Royal Court on 26th October 2012.

#### **Financial and manpower implications**

Some additional staffing demands are anticipated as a result of the amendment introduced by this Law. These will be met through internal adjustments in duties and responsibilities. Income will be generated as a result of introducing triennial certificates and broadening of the range of premises requiring certification to include houses in multiple occupation. However, this will offset the cost to the Service of carrying out the necessary work to issue the certificates.

## **Explanatory Note**

---

This Act will bring the Fire Precautions (Amendment No. 2) (Jersey) Law 2012 into force on 1st January 2013.
