A1. The Committee, with reference to its Minute No. A8 of 9th December 2013, received a draft comment in respect of the proposition of Deputy G.C.L. Baudains of St. Clement, entitled: 'Machinery of Government: Committee system' (P.157/2013 refers).

The Committee recalled that it had agreed to present a comment to the States in respect of the proposition, which requested the Committee to research variations of committee style government and to seek the opinions of the public on the desirability of revising the machinery of government to introduce a committee style structure, before bringing forward for approval recommendations for revisions to the machinery of government.

The Committee noted the content of the draft comment and, having agreed certain amendments, agreed to present the comment to the States. The Committee Clerk was requested to take the necessary action.
