DRAFT RESTRICTION ON SMOKING (WARNING NOTICES) (AMENDMENT FOR UK EXIT FROM EU) (JERSEY) REGULATIONS 201-

REPORT

The Draft Restriction on Smoking (Warning Notices) (Amendment for UK Exit From EU) (Jersey) Regulations 201- amend the [Restriction on Smoking \(Warning Notices\) \(Jersey\) Regulations 2011](#) to ensure effective operation of those Regulations on the United Kingdom's exit from the European Union (EU) on 29th March in the event of there being no ratified withdrawal agreement. The amendments ensure removal of the use of the EU image library for the picture warning requirement of the combined warning notices on tobacco, and instead direct manufacturers of tobacco products to a new set of images provided by the United Kingdom Department of Health, with the permission of the Australian Department of Health. There is an intention that the Minister for Health and Social Services would first take account of information, both from the tobacco industry and the relevant government departments, before setting a commencement date by Ministerial Order, for prohibiting the importation of non-compliant packaging.

Financial and manpower implications

There are no financial or manpower implications for the States arising directly from the adoption of these draft Regulations.

Re-issue Note

This Projet is re-issued because an early version of the above report was included in error in the originally published Projet. This has now been replaced with the final version of the report.

Explanatory Note

These Regulations would amend the Restriction on Smoking (Warning Notices) (Jersey) Regulations 2011 to substitute new warning pictures that must be displayed after the United Kingdom's exit from the European Union.

Regulation 1 defines the "2011 Regulations" as the Restriction on Smoking (Warning Notices) (Jersey) Regulations 2011.

Regulation 2 amends the interpretation provisions of the 2011 Regulations consequentially on the other amendments.

Regulation 3 amends Regulations 2(1)(b) and 2(2) of the 2011 Regulations to substitute references to the new Schedule 1 that is substituted by *Regulation 5*.

Regulation 4 deletes Regulation 7 of the 2011 Regulations, so that imports from EEA states must comply with the 2011 Regulations as amended.

Regulation 5 substitutes, for Schedule 1 of the 2011 Regulations (which sets out picture warning notices) a new Schedule 1 containing new combined text warnings and picture warning notices.

Regulation 6 gives the title by which these Regulations may be cited and provides for them to come into force on a date and time, or dates and times, to be appointed by the Minister for Health and Social Services by Order.
