Relationship between twelfth and seventy-eighth amendments to ‘Island Plan 2022-25: Approval’ (P.36/2021) – ruling by the Deputy Bailiff

The Deputy Bailiff made the following ruling regarding the relationship between the amendment of the Connétable of St. Helier (P.36/2021 Amd.(12)) and the amendment of Deputy Stephen Morrison Ahier of St. Helier (P.36/2021 Amd.(78)) to the proposition of the Minister for the Environment entitled ‘Island Plan 2022-25: Approval’ (P.36/2021) –

“Members will recall, prior to the adjournment I indicated I was going to give a ruling in relation to the effect of the debate on the 12th amendment on the next amendment listed for debate, namely the 78th amendment. If amendment 12 is adopted, the effect will be that the field in question is no longer zoned for affordable housing. In those circumstances, my ruling is that amendment 78 may be debated but only as to parts (b), (c) and (d) of the proposition as (a) will have just been adopted by the Assembly. If amendment 12 is rejected, and the effect of which is that the field remains zoned for affordable housing, then amendment 78 may also be debated but must be voted on as a whole as it would offend Standing Order 20 to vote on part (a) separately. So, whatever the outcome of this debate, Members will be able to debate amendment 78.”

Arrangement of public business for the present meeting

THE STATES noted that, following the adoption of the amendment of the Connétable of St. Helier (P.36/2021 Amd.(12)) to the proposition of the Minister for the Environment entitled ‘Island Plan 2022-25: Approval’ (P.36/2021), as amended, paragraph (a) of the amendment of Deputy Stephen Morrison Ahier of St. Helier (P.36/2021 Amd.(78)) to the same proposition was deemed to have been withdrawn.

THE STATES resumed consideration of the proposition of the Minister for the Environment entitled ‘Island Plan 2022-25: Approval’ (P.36/2021), as amended, and, adopting paragraphs (b), (c) and (d) of an amendment of Deputy Stephen Morrison Ahier of St. Helier (P.36/2021 Amd.(78)) agreed that, after the words “the draft Island Plan 2022-25”, there should be inserted the words “except that –

- (b) within Policy H6, after the first paragraph there should be inserted the following new paragraph – “The following site should be specifically zoned for the provision of purpose-built fully-accessible homes for people with disabilities, and its development for any other use will not be supported:

Field H1219, La Grande Route de Mont a L’Abbé, St. Helier (1.20 hectares/6.6 vergées)”;
