Dear Derrick,

Thank you for your letter of 5th April 2007, addressed to Mrs. Le Cras who is out of the Island for a few days.

First please accept my apologies for not coming to the meeting in the evening. In any case as the owner of, I think, one cow I do not think I should cast a vote in any event.

Mrs. Le Cras is still pondering the situation and I think, it is fair to say, is not really wholly convinced. However as it seems that there is a proposal to place a star in the herd book against cattle bred solely "internally", as it were, it seems to me that such a suggestion might well overcome her concerns.

Mrs. Le Cras is I know hoping to return in time for the meeting. If she does not, please accept her apologies for her absence in advance.

I believe that Barry Raven is concerned by "legs and feet" and it would, I am sure be helpful if you were to ask him to raise this if he does not do so on his own accord. He is, I know, also worried about disease which might be imported.

With kind regards,

Yours sincerely,

P. R. Le Cras
