REPORT

The purpose of this amendment is to add Andium Homes to Schedule 1 so that the Freedom of Information (Jersey) Law 2011 (“the Law”) will apply to that incorporated body, to take effect from 1st January 2015, that is from the same date as all departments of the States.

The substance of the draft amendment is to retain the existing provision relating to the parishes (commencing 1st September 2015) and simply add a further entity with a commencement date on 1st January 2015.
