## **BUDGET 2005: THIRD AMENDMENTS (P.212/2004) – COMMENTS**

---

**Presented to the States on 7th December 2004  
by the Finance and Economics Committee**

---

**STATES GREFFE**

## **COMMENTS**

The Finance and Economics Committee is of the view that the Policy and Resources Committee expenditure on communication is a necessary and high priority item.

Good communication is central to the achievement of the Strategic Plan and the numerous strategic initiatives that flow from it. The Committee cannot support this amendment. The Committee notes that the proposed amendment will have no impact upon the States requirement to generate tax revenues.
