

**WRITTEN QUESTION TO THE MINISTER FOR INFRASTRUCTURE
BY DEPUTY L.J. FARNHAM OF ST. MARY, ST. OUEN AND ST. PETER
QUESTION SUBMITTED ON MONDAY 25th SEPTEMBER 2023
ANSWER TO BE TABLED ON MONDAY 2nd OCTOBER 2023**

Question

“Following the publication of the Government Plan 2024 -2027, would the Minister provide a detailed breakdown of the £675m estimated cost for the acute hospital at Overdale?”

Answer

The £675 million estimated in the Government Plan represents the full cost of the Acute Facility at Overdale (apart from an additional £35 million that will be required in 2028 for its completion) and a meaningful start on the Ambulatory facilities at Kensington Place/Gloucester Street and the Health Village in St Saviour. As explained to the Assembly on previous occasions we intend to reveal the total spend for this programme per year, but do not intend to break this down between the sites in order to best protect our commercial position with contractors.
