Dear Minister,

Hospital Review Panel: Phase 1 Funding Proposals

Thank you for providing a briefing to the Hospital Review Panel on the status of the New Healthcare Facilities Programme ('Programme') on Friday 7th June. As you will recall, the Panel discussed the significant nature of the Programme and the need to ensure that this is reflected in the States Assembly debate on the matter.

The Panel also discussed its view about the need for a separate States Assembly debate on the funding proposals for delivery of Phase 1 of the Programme, and that this should take place prior to the States Assembly debate on the Government Plan 2025-2028 in November 2024.

The Panel noted that following the briefing you would consider this position further. Please can you clarify whether you would be prepared to bring a separate, standalone Proposition on the funding proposals for delivery of Phase 1 of the Programme, as agreed in Government Plan 2024-2027?

The Panel would be grateful if you could provide confirmation of your position in relation to this matter as soon as possible, but by no later than **Tuesday 18th June 2024**.

Yours sincerely,

Deputy Jonathan Renouf
Chair
Hospital Review Panel
