by the Establishment Committee**

STATES OF JERSEY

STATES GREFFE

175

1999

P.38/99 Com.

Price code: A

Comments

The Committee notes that manpower requirements in order to implement the Code of Practice have not been specifically identified. If there are manpower implications the Special Committee should give full details to the States. However, the Committee confirms that, in accordance with the policy of the States, any additional posts may only be created when compensatory savings in terms of manpower have been identified and effected elsewhere in the public sector.
