Importation of Fireworks in 2007 for a Charity Event: investigation P.21/2011

THE STATES, adopting a proposition of the Deputy of St. John, requested the Ministers for Home Affairs, Economic Development and Planning and Environment to review the events surrounding the importation of over 100,000 fireworks for a charity attempt at a world record in 2007, and in particular the actions taken by their departments in relation to this matter, with a view to ascertaining why difficulties arose which led to the eventual cancellation of the proposed launching of the fireworks and a substantial financial loss for the organiser even though the importation was initially approved by all relevant authorities and a Bailiff's permit issued for the event and requested the Ministers to present to the States no later than the end of May 2011 a report setting out the results of their investigations and details of any appropriate actions they intended to take to compensate the organiser for the losses he incurred.
