	<p>1. Private School Subsidies</p> <p>The Panel discussed the Minister for Education, Sport and Culture's proposals to reduce subsidies to fee-paying and private schools. The Panel requested a letter to be drafted to the Minister for Education, Sport and Culture, explaining that the Panel may wish to review the proposals, and to request clarification regarding when the proposals could be provided to the Panel. The Panel further requested the letter to ask the Minister to ensure that any reduction in subsidies, if approved, are phased in over a period of time, so that parents with children currently at schools affected by the proposals would not be unfairly penalised.</p>	SP
