STRATEGY FOR DEALING WITH YOUNG OFFENDERS: ESTABLISHMENT OF WORKING GROUP (P.201/2009) – COMMENTS

Presented to the States on 24th December 2009
by the Education and Home Affairs Scrutiny Panel

COMMENTS

The Education and Home Affairs Scrutiny Panel is fully supportive of this proposition. The Panel believes that the success of this working group would very much depend upon the constitution of the group itself. As such the Panel strongly believes that this group should encompass a broad range of individuals, including both the Executive and Scrutiny, and should preferably include major stakeholders.
