Health and Social Security Panel

Medicinal Cannabis

Dear Deputy Scott,

Following the Panel's meeting on 11th May, it has agreed to develop a number of questions to ask the Minister for Health and Social Security regarding the regulation and licencing of medicinal cannabis. The Panel is due to receive the Minister for a Quarterly Hearing on 8th June so, as a starting point, questions will be included on the question plan in relation to this topic.

If there are any areas of questioning the EIA Panel would like us to ask of the Health and Social Services Minister, the Panel is happy to consider these whilst we are developing our question plan over the next couple of weeks.

Yours sincerely,

Deputy Rob Ward
Chair, Health and Social Security Scrutiny Panel
