MINISTER FOR TRANSPORT AND TECHNICAL SERVICES: VOTE OF CENSURE (P.129/2013) – COMMENTS

Presented to the States on 4th November 2013
by the Council of Ministers

STATES GREFFE

COMMENTS

The Council of Ministers believe that a vote of censure is an important matter that should only be brought forward for matters of conduct and not for differences regarding the discharge of official responsibilities. The Council of Ministers ask that the Privileges and Procedures Committee address this issue and provide the necessary clarification.

Although proposed as a vote of censure, the Proposition might be interpreted by some as a vote of no confidence and the Minister may feel obliged to consider his position unless he continues to command the support of a majority of Members.

The Council of Ministers expresses its unqualified support for, and confidence in, the Minister for Transport and Technical Services.
