ELECTRICITY TARIFFS: REGULATIONS UNDER ARTICLE 22 OF THE ELECTRICITY (JERSEY) LAW 1937 (P.41/2009) – AMENDMENT

Lodged au Greffe on 26th May 2009
by Senator A. Breckon

STATES GREFFE

ELECTRICITY TARIFFS: REGULATIONS UNDER ARTICLE 22 OF THE
ELECTRICITY (JERSEY) LAW 1937 (P.41/2009) – AMENDMENT

PAGE 2 –

For the words “1st July 2009” substitute the words “1st October 2009 and with no further increase in tariffs during 2010”.

SENATOR A. BRECKON

REPORT

Since lodging this proposition I have met with the Minister for Economic Development and officers, and they have indicated that it may take some time to prepare a report in response to my proposals. Therefore I believe it is now appropriate to amend the effective date but also to seek agreement from the States not to increase tariffs in 2010.

Financial and manpower implications

The actions above, if agreed by the States, could reduce the dividend income received from the J.E.C.; however, the positive side is that it will significantly reduce the amount the various States Departments pay in electricity charges.

There are no manpower implications.
