OF THE STATES OF JERSEY**

**Lodged au Greffe on 2nd November 1999  
by the House Committee**

**STATES OF JERSEY**

**STATES GREFFE**

## **Explanatory Note**

The main purpose of this Act is to amend Standing Orders to allow for the establishment of the Industries Committee in accordance with the States decision of 28th July 1999.

*Amendment No. 1* provides for the Industries Committee to be established as a Major Committee (sub-paragraph (a)). However, as decided by the States, the restrictions on membership of Major Committees will not apply, so that for the next three years a member could be President of the Industries Committee as well as another Major Committee and members would be eligible to serve on the Industries Committee as well as two other Major Committees (sub-paragraph (b)).

*Amendment No. 2* deletes the reference among the minor Committees to the Broadcasting Committees, whose functions will be transferred to the Industries Committee. The opportunity is taken similarly to delete the reference to the Industrial Relations Committee whose functions have already been transferred to the Employment and Social Services Committee.

The amendments will come into force on 9th December 1999 in time for the appointment of Presidents and Committees in the reconstituted States Assembly.
