In the additional row 4.9, in the column headed “Key areas of focus 2015 – 2018”, after the words “agree to” insert the words “review whether it would be appropriate to”.

DEPUTY S.Y. MÉZEC OF ST. HELIER

## REPORT

This minor change in wording is proposed after consultation with fellow St. Helier representatives, simply to remove any potential ambiguity on what obligations are being suggested.

4.9	An improved municipal government structure and powers for the Parish of St. Helier	Agree to review whether it would be appropriate to reform the municipal government structure for St. Helier to increase democratic participation and accountability so that decisions made are more receptive to the wishes of residents and businesses
