Note: Because of the requirement for a four-week lodging period, the minimum lodging period of the proposition of Deputy G.P. Southern of St. Helier will expire on Monday 18th May 2020. Furthermore, notification for the proposition to be listed for debate could not be provided in accordance with the timescale set out Standing Order 32. Deputy Southern has therefore given notice of his intention to propose, in accordance with Standing Order 80, that Standing Order 32 be suspended in order that the proposition may be listed for debate at the meeting; and subsequently to propose, in accordance with Standing Order 26(7), that the minimum lodging period for the proposition be reduced in order that it can be debated at the meeting.

R&O.43/2020.

Control of Housing and Work (Exemptions) (Contributions) (Covid-19 Temporary Amendment) (Jersey) Order 2020.

This Order amends the Control of Housing and Work (Exemptions) (Jersey) Order 2013. Article 4(1) of that Order contains a list of people who do not count towards the maximum number of people with Licensed or Registered status who are permitted to work in or for an undertaking. This Order inserts a temporary addition to that list. Until 30th September 2020, a person will not count towards the maximum number if the person is providing cover for up to 3 months for a worker who has left Jersey due to the outbreak of Covid-19. This Order comes into force on the day after it is made.

The Order was made on 17th April 2020 and came into force on 18th April 2020.
