<b>[11/12/06, Item 9]</b>	<p><b>1. GP Out-of-Hours</b></p> <p>The Panel met to consider its draft report for the GP Out-of-Hours review. As the meeting had been called at late notice, a formal agenda had not been prepared and distributed. The meeting was specific to one review and Deputies S. Pitman and J. Gallichan were not therefore required to attend.</p> <p>The Panel considered the structure and content of the draft report. It requested that a draft be circulated for consideration on 5th January 2007. The Panel gave consideration to the eventual distribution of the draft report (once completed).</p> <p>The Panel considered the potential impact of the co-operative service on the surgeries that had previously been maintained by Cleveland Clinic. It agreed that a request would be made for clarification on this matter.</p>	<p><b>WM</b></p> <p><b>WM</b></p>
