by the Deputy of St. John

STATES GREFFE

PAGE 2, PARAGRAPH (a) –

After sub-paragraph (viii) insert a new sub-paragraph as follows –

“(ix) the role of the Parish Deputy (or Deputies) in relation to the parish, the relationship of the Parish Deputy (or Deputies) to other members of the municipality and the manner in which the Deputy (or Deputies) is treated during official parish functions;”.

and renumber the existing paragraph (ix) accordingly.

DEPUTY OF ST. JOHN

REPORT

Having recently had this question put to me by a member of the media, this historic information needs to be officially researched and put in the public domain. It was, for example, suggested to me that it may be the case that a parish Deputy could be required to sit across the aisle in the parish church away from other members of the municipality on formal occasions. I believe that it would be helpful for the role of the Deputy in a parish to be clarified.

Financial and manpower implications

There are no additional financial or manpower implications arising from this amendment.
