REPORT

In pursuit of the Committee's policy to manage the fishery of ormers, it is necessary to restrict the export of frozen ormers and to confine both the export of fresh ormers and the period of possession of ormers on a boat to times when fishing for ormers is permitted.

Financial and manpower implications

These Regulations have no additional financial or manpower implications for the resources of the States.

Explanatory Note

These Regulations amend Regulation 4 of the Sea Fisheries (Miscellaneous Provisions) (Jersey) Regulations 1998 (which contains restrictions relating to ormers) to impose a total ban on the export of ormers that are not fresh ormers and to confine the export of fresh ormers and the period for possession of ormers on a boat to the period when fishing for ormers is permitted.
