QUESTION PAPER

(See Item G)

The Deputy of St. John will ask the following question of the President of the Employment and Social Security Committee -

“Will the President inform members what the cost was to the Employment and Social Security Committee for the hard back book entitled ‘Poor People’ distributed to members at the States’ meeting of 11th September 2001 and which vote did the money come from?”

The Deputy of St. John will ask the following questions of the President of the Agriculture and Fisheries Committee -

- “1. Would the President explain what quarantine facilities the Committee is able to put in place to meet its obligations under the Rabies (Importation of Dogs, Cats and other Mammals) (Jersey) 1976 Order as amended for dogs imported from countries not covered by the pet travel scheme?
2. (a) Will the President give members the total number of cattle suffering from BSE culled in 2001 to date and advise members how the carcasses were transported out of the Island?

(b) Will the President advise members whether the Agriculture and Fisheries Committee has abandoned the proposal to build an animal incinerator, and if so why?”

Senator P.V.F. Le Claire will ask the following questions of the President of the Policy and Resources Committee -

- “1. During a meeting in the Policy and Resources Department on 21st August 2001, I was told that a report to my proposition ‘Introduction of work permits’ (P.107/2000) would be made available, ahead of the Committee’s general proposition in relation to population. As stated on the morning of 18th September 2001 to the Assembly, this general proposition was to be ready before the end of the year. Would the President confirm when the Committee’s report on my proposition will be presented so that I may seek to have it debated?
2. Would the President advise members of progress on the smart card scheme and what is his Committee’s schedule for its implementation?”
