### **Highlands College – Lecturers. Statement.**

The President of the Education Committee made a statement in the following terms –

“The Education Committee has been deeply concerned by the action taken by the Lecturers at Highlands College, much of which appears to go beyond what can be properly described as ‘working to rule’.

Following a meeting between Deputy Henri Dubras and officers of the Department with representatives of the National Association of Teachers in Further and Higher Education in London on Thursday last, it has been agreed to continue negotiations on Thursday, 24th September, in Jersey. At the meeting in London NATFHE was formally requested to refrain from industrial action while negotiations continue but that request was refused. In the meantime the Principal has assured me that the College remains 95 per cent effective despite the exaggerated reports of disruption.

I very much hope that next Tuesday's meeting will lead towards a settlement of this dispute and I will be making a further statement to this House on Tuesday, 29th September."

**Island Plan: Volume 2 – Plan and Policies. P.126/87.**

THE STATES commenced consideration of the Proposition of the Island Development Committee on the plan and policies contained in Volume 2 of the Island Plan and adopted an amendment of Deputy Sir Martin Le Quesne of St. Saviour to delete in paragraph 2 the words "in pursuance of Article 3 of the Island Planning (Jersey) Law, 1964 –" and to substitute for the letters (a), (b), (c), (d) and (e) the numbers 2, 3, 4, 5 and 6. The States also accepted an amendment of the Committee that the paragraphs be re-numbered 5, 6, 2, 3 and 4.

Paragraph 1 was adopted.

Paragraph 2 was adopted, the States having accepted an amendment of the Committee that for the words "rules and policies" there should be substituted the words "statement of principles".

After further discussion the States adjourned at 6 p.m. until Wednesday, 23rd September, 1987.
