STATES GREFFE

PROPOSITION

THE STATES are asked to decide whether they are of opinion –

to refer to their Act dated 26th March 1991, approving the establishment of an Ecology Fund, and to their Act dated 28th March 1995 agreeing that the chairman of the trustees should be a member of the States, appointed by the States on the recommendation of the Planning and Environment Committee; and –

to appoint Deputy Jacqueline Ann Hilton as chairman of the Trustees of the Fund.

ENVIRONMENT AND PUBLIC SERVICES COMMITTEE

REPORT

On 25th April 1995 the States agreed with the recommendation of the Planning and Environment Committee that the chairman of the trustees of the Ecology Fund should be a member of the States, appointed by the States on the recommendation of the Planning and Environment Committee.

Following the retirement of Deputy Jennifer-Anne Bridge from the former Planning and Environment Committee, the Committee recommends the appointment of Deputy Jacqueline Ann Hilton as a trustee and as chairman of the trustees of the Ecology Fund.

The Committee wishes to express its appreciation to Deputy Bridge for her enthusiasm and for her contribution to the work of the Fund.

The Committee is glad to report that the other trustees have agreed to continue to carry out their valuable work, of which the Committee is most appreciative.

There are no additional financial or manpower implications for the States arising from the adoption of this proposition.
