- OQ.143/2025 16. Deputy D.J. Warr of St. Helier South will ask the following question of the Minister for Education and Lifelong Learning –
- “Will the Minister state whether any funding gap exists between the allocated budget and the contracts negotiated by his department in relation to cleaning and ground costs for Victoria College and Victoria College Preparatory School and, if so, advise whether any additional funding has been allocated to bridge the gap?”
- OQ.138/2025 17. Deputy L.M.C. Doublet of St. Saviour will ask the following question of the Chair of the States Employment Board –
- “Will the Chair advise how the Government of Jersey is supporting States employees who are experiencing symptoms of menopause, perimenopause, or conditions such as premenstrual dysphoric disorder (PMDD) and endometriosis?”
- OQ.141/2025 18. Deputy M.B. Andrews of St. Helier North will ask the following question of the Chief Minister –
- “Will the Chief Minister advise whether it is his assessment that there remains a need to streamline Government services and, further to the response to Written Question 257/2025, will he explain how the Government is addressing the “unsustainable” level of running costs?”
- OQ.146/2025 19. Deputy I. Gardiner of St. Helier North will ask the following question of the Minister for Social Security –
- “Further to discussions at the meeting of the [Older Persons Living Forum](#) on 19th June 2024, will the Minister advise what progress, if any, has been made on the cross-Government project to implement a form of identification card through the Parishes as an alternative form of identification to a passport and driving licence?”
- OQ.158/2025 20. Deputy P.F.C. Ozouf of St. Saviour will ask the following question of the Chief Minister –
- “Given the multiple strands of cross-Governmental policy in relation to the prescription and manufacture of medicinal cannabis in the Island, will the Chief Minister commit to providing a consolidated update on the industry, including its performance, regulation and oversight; and if so, by when?”

OQ.148/2025 21. Deputy M.R. Scott of St. Brelade will ask the following question of the President of the Scrutiny Liaison Committee –

“Will the President state the number and type of special advisers engaged by Scrutiny Panels from 2022 to date, including whether they were retained for a single project or on an ongoing general retainer, and will she also provide the total cost of such expertise?”

OQ.153/2025 22. Deputy J. Renouf of St. Brelade will ask the following question of the Minister for Treasury and Resources –

“Further to the response to Written Question 272/2025, will the Minister advise what discussions, if any, she has had with Ports of Jersey regarding the recent restructure, and state whether it is her assessment that the restructure has been successful?”

WRITTEN QUESTIONS

(See Item I(a))

1. The Chief Minister tabled an answer on 3rd June 2025 to the following question asked by Deputy M.B. Andrews of St. Helier North –

“Further to comments he has previously made, including in a Facebook post on 21st January 2016, will the Chief Minister advise whether it is his assessment that legislation should be introduced to prevent ‘gazumping’ or ‘gazundering’ of property purchases and, if so, what consideration, if any, has he given to undertaking consultation on the introduction of pre-sale agreements; and if there has been no such consideration, will he explain why not?”

2. The Minister for Social Security tabled an answer on 3rd June 2025 to the following question asked by Deputy M.B. Andrews of St. Helier North –

“Will the Minister advise whether she is aware of any instances in Jersey of employers taking a ‘fire and re-hire’ approach and facilitating the removal of a particular contractual benefit by firing an employee then offering to re-hire that employee without that contractual benefit; and if she is aware of such practices, will she state how common this type of activity is and whether any consideration has been given to the introduction of legislation to curtail this type of activity?”

3. The Chief Minister tabled an answer on 3rd June 2025 to the following question asked by Deputy M.B. Andrews of St. Helier North –

“Will the Chief Minister advise whether there is any intention to use the Strategic Reserve Fund to fund the Island regeneration programme, previously known as Project Breakwater, and, if used for this purpose, does the Government have any intention to replenish the Fund?”

4. The Minister for the Environment tabled an answer on 3rd June 2025 to the following question asked by Deputy L.M.C. Doublet of St. Saviour –

“Further to Oral Question 33/2025, will the Minister advise what funding it is estimated would be required to progress a masterplan for Five Oaks; will he state whether he intends to bid for resources to develop such a masterplan and, if so, what progress does he anticipate will be made before the end of the current political term; and if he does not intend to progress this masterplan, why not?”

5. The Minister for the Environment tabled an answer on 3rd June 2025 to the following question asked by Deputy I. Gardiner of St. Helier North –

“Will the Minister provide a comprehensive list of all property types that would be considered as ‘existing buildings’ for the purpose of the Supplementary Planning Guidance for Housing outside the built up area?”

6. The Minister for Education and Lifelong Learning tabled an answer on 3rd June 2025 to the following question asked by Deputy D.J. Warr of St. Helier South –

“Will the Minister advise how many apprenticeships in each of the Plumbing, Electrical, Engineering, Welding, Construction, Automotive, and Hairdressing sectors have been taken up each year from 2022 to date, and advise whether any data has been collected on the impact of increasing the minimum wage on the number of apprenticeships taken up; and if no data is being collected, will he explain why not?”

7. The Minister for the Environment tabled an answer on 3rd June 2025 to the following question asked by Deputy R.S. Kovacs of St. Saviour –

“With regard to the Climate Emergency Fund (CEF), will the Minister advise –

- (a) the amount of funding allocated to the Fund each year since its formation, and the total amount assigned to the Fund to date;
- (b) the sources of funding for each year, the amount allocated from each source, and which of these sources are still active;
- (c) what activities have been funded by the CEF each year to date, including the amount spent;
- (d) the current balance of the Fund;
- (e) the ongoing approved expenses from this Fund for 2025 onwards, broken down by activity and associated cost; and
- (f) the projected amount to be allocated to, and spent from, the CEF each year from 2026 to 2029?”

8. The Minister for the Environment tabled an answer on 3rd June 2025 to the following question asked by Deputy R.S. Kovacs of St. Saviour –

“Will the Minister provide an update on the progress of each of the housing sites approved in the Bridging Island Plan 2022 to 2025 to include, but not be limited to, information regarding –

- (a) the current stage of development for each site and any related projects;
- (b) the type of housing planned for each site to include specific reference to first-time buyer properties and to properties intended for the rental market; and
- (c) whether delays are affecting any sites and, if so, the reasons behind the delays?”

9. The Minister for Children and Families tabled an answer on 3rd June 2025 to the following question asked by Deputy R.S. Kovacs of St. Saviour –

“Further to the adoption of P.28/2024, as amended, will the Minister provide the following regarding the evaluation and consultation process for making the Youth Service a statutory provision –

- (a) a copy of the scoping document outlining the process;
- (b) the current status of the process;
- (c) the identity of all stakeholders involved;
- (d) confirmation of those already consulted and details of the topics or aspects of their consultation; and
- (e) the date the consultation process commenced or, if it has not commenced, explain why not and provide a date for its commencement?”

10. The Minister for Children and Families tabled an answer on 3rd June 2025 to the following question asked by Deputy K.M. Wilson of St. Clement –

“Will the Minister advise what actions, if any, his team is taking to protect children and young people from online harm and advise whether he and the Minister for Education and Lifelong Learning are working together on this issue; and if so, will he detail any agreed priorities and the timescale for delivering relevant policy and legislation decisions on this matter?”

11. The Chief Minister tabled an answer on 3rd June 2025 to the following question asked by Deputy I. Gardiner of St. Helier North –

“Will the Chief Minister advise whether the Government of Jersey intends to adopt the principles of the Aarhus Convention, in particular the public’s rights to access environmental information, to participate in environmental decision-making, and to access justice in environmental matters; and, if so, will he provide the estimated timeframe for its adoption; and if not, what alternative framework is being used to ensure transparency, accountability, and public participation in environmental decisions, such as those relating to PFAS contamination and land-use policy?”

12. The Minister for Infrastructure tabled an answer on 3rd June 2025 to the following question asked by Deputy I. Gardiner of St. Helier North –

“Will the Minister advise what action his department is taking to ensure Jersey’s infrastructure is suitable for the increasing ageing population; and will he provide details of any existing current strategies, policies, and guidelines that are supporting this work?”

13. The Minister for Infrastructure tabled an answer on 3rd June 2025 to the following question asked by Deputy H.M. Miles of St. Brelade –

“In respect of La Route de Noirmont, will the Minister state –

- (a) what evidence, if any, exists to support the claim that removing the central white line will lead to improved road safety, and what are the underlying mechanisms which explain this effect; and
- (b) whether his department consulted the States of Jersey Police prior to agreeing to a six-month trial before the central white line could be reinstated?”

14. The Minister for the Environment tabled an answer on 3rd June 2025 to the following question asked by Deputy H.M. Miles of St. Brelade –

“In cases where a member of the public, or a public authority, has concerns about the structural integrity or safety of a building located on private land, will the Minister advise what powers, if any, he has to compel the landowner to undertake a survey and any required remedial work?”

15. The Minister for Education and Lifelong Learning tabled an answer on 3rd June 2025 to the following question asked by Deputy J. Renouf of St. Brelade –

“Further to Written Question 184/2025, will the Minister state how many ‘out-of-catchment’ requests were accepted for secondary schools in each of the last 5 years; and will he provide further details regarding the policy around the allocation of secondary school places with particular reference to –

- (a) the weightings applied to the different criteria (such as residence in the catchment area) that are used to determine the allocation of places; and
- (b) whether residence in a catchment area is weighted in favour of those living closer to a school within a catchment?”

16. The Minister for External Relations tabled an answer on 3rd June 2025 to the following question asked by Deputy J. Renouf of St. Brelade –

“Will the Minister state to what extent it is anticipated the recently negotiated deal between the UK and the EU will have an impact in Jersey, including (but not limited to) –

- (a) continuing access by French boats to Jersey waters and the terms on which they fish;
- (b) access by Jersey fish exports to EU, particularly French, markets;
- (c) the continuation of the French ID card scheme; and
- (d) the ability of people from Jersey travelling to the EU to use e-gates?”

17. The Minister for Children and Families tabled an answer on 3rd June 2025 to the following question asked by Deputy K.M. Wilson of St. Clement –

“Further to the approved business case in 2023 supporting the redevelopment of Le Squez Youth Centre and the subsequent reprioritisation of the St. Helier Youth Centre, will the Chief Minister provide the following information regarding the Le Squez Youth Centre project –

- (a) what design options are currently being considered;
- (b) when will a decision be made on the preferred design, or if a decision has already been made, which of the preferred designs underpinning the business case will be taken forward;
- (c) what progress, if any, has been made in relation to the finalising of plans and the feasibility, planning and procurement of the scheme, and when will such plans be made public;
- (d) details of how the scheme will be funded to ensure the revised 2027 delivery date; and
- (e) whether the Council of Ministers remain committed to delivering the full scope of the Le Squez development as originally approved in the business case in 2023 and, if not, why not?”

18. The Minister for Sustainable Economic Development tabled an answer on 3rd June 2025 to the following question asked by Deputy K.M. Wilson of St. Clement –

“Will the Minister set out the total economic contribution of the cannabis industry expressed in terms of GVA, tax receipts and licence fees, and number of jobs created, for each of areas permitted by licence –

- (a) cultivation;
- (b) processing for export;
- (c) research; and
- (d) prescription, marketing and sale of medicinal cannabis?”

19. The Minister for Education and Lifelong Learning tabled an answer on 9th June 2025 to the following question asked by Deputy D.J. Warr of St. Helier South –

“Further to the response to Written Question 62/2024, regarding primary schools on the Island, will the Minister detail the number of year 1 and year 2 classes available at each school and the number of students in each class for the school year 2024/2025 and, if available, for 2025/2026; and will he provide the same information for reception classes at each primary school from 2019/2020 to date?”

20. The Chair of the States Employment Board tabled an answer on 9th June 2025 to the following question asked by Deputy M.B. Andrews of St. Helier North –

“Will the Chair –

- (a) advise whether the Chief Executive or any Chief Officers of Government Departments have secondary employment and if so, will he provide the details of such employment; and
- (b) state whether he has been asked to give approval to any such employment and if he has, how many times he has approved or rejected secondary employment requests?”

21. The Chief Minister tabled an answer on 9th June 2025 to the following question asked by Deputy K.M. Wilson of St. Clement –

“Will the Chief Minister advise which Minister has formal political responsibility for overseeing and leading the Integrated Jersey Reinvestment Programme (previously named Project Breakwater) and advise whether this Minister will be accountable to the Assembly and relevant scrutiny panels in relation to questions, decisions and proposals regarding the Programme?”

22. The Minister for Infrastructure tabled an answer on 9th June 2025 to the following question asked by Deputy C.D. Curtis of St. Helier Central –

“Further to the adoption of the Twenty-First Amendment to the Government Plan 2024-2027, to improve access to sports facilities in the East of the Island, will the Minister detail the timetable for improvements to Le Rocquier School and Community Sports Facilities?”

23. The Minister for Treasury and Resources tabled an answer on 9th June 2025 to the following question asked by Deputy H.M. Miles of St. Brelade –
