**STATES OF JERSEY**

**STATES GREFFE**

### **Comments**

The Human Resources Committee notes the manpower implications required to implement the Law have increased from an additional 6 full-time equivalent posts when the draft Law was first debated in June 2001 to an additional 11 posts as a result of the amendments which were brought at the time. If the States agree the proposals, the Committee will interpret this as support for the creation of the required manpower when it considers any request pertaining to this Law.
