This Order is made under the revised Part 16 (Accounts and Audit) of the Companies (Jersey) Law 1991.

PART 1 – Interpretation

Article 1 sets out two definitions.

PART 2 – Register of Recognized Auditors

Article 2 requires the Jersey Financial Services Commission to maintain a Register of Recognized Auditors.

Article 3 makes requirements as to the content of each entry in the Register relating to a recognized auditor.

Article 4 requires auditors to confirm each year the contents of Register entries relating to them.

Article 5 allows the Register to be kept in any form, including an electronic form.

Article 6 requires the Register to be available to the public for inspection.

Article 7 requires the Commission to provide certified copies of Register entries.

Article 8 enables the Commission to charge a person a fee to inspect the Register or to obtain a copy of a Register entry.

Article 9 allows the Commission to exclude certain information from public inspection or from certified copies so as to protect an individual from harassment.

Article 10 enables the Commission to require applicants for registration to provide certain information to the Commission.

PART 3 – Rules binding Recognized Auditors

Article 11 describes how the Part applies.

Article 12 prescribes minimum requirements for the rules (approved or published by the Commission) regulating auditors who audit market-traded companies.

Article 13 provides for the withdrawal of Commission approval of those rules in certain circumstances.

PART 4 – Independence Requirements as to Auditors

This Part specifies certain circumstances in which an auditor is regarded as not sufficiently independent to audit a company –

- (a) in *Article 15* where certain employment or other relationships exist;
- (b) in *Article 16* where certain partnership relationships exist; and
- (c) in *Article 17* where the certain body corporate relationships exist.

PART 5 – Final Provisions

Article 18 sets out the name of the Order.

Article 19 provides for the Order to come into force on the same day as the revised Part 16 of the Law.

The Order was made on 24th March 2010 and came into force on 5th April 2010.

R&O.31/2010.

This Order prescribes that the generally accepted accounting principles that a market-traded company must use when preparing its financial statements are any of the Generally Accepted Accounting Principles, or International Financial Reporting Standards, specified in Article 2 to this Order.

The Order was made on 24th March 2010 and came into force on 5th April 2010.

R&O.32/2010.

This Order, made under Article 113N of the Companies (Jersey) Law 1991, allows the powers and duties of the Jersey Financial Services Commission under Articles 113K, 113L and 113M of the Companies (Jersey) Law 1991 to be performed by the Professional Oversight Board (“POB”) established under the articles of association of the Financial Reporting Council Limited.

Articles 113K, 113L and 113M relate to the supervision of auditors, and of audits, of the accounts of market-traded companies. In the case of the powers and duties under Article 113L, the transfer to the POB is only partial leaving the Commission a residual power to require information under that Article for the purposes of maintaining the Register of Recognized Auditors.

The Order requires the POB to provide reports and information to the Minister while the POB is performing those powers and duties.

Under Article 112 of the Companies (Jersey) Law 1991, the Jersey Financial Services Commission needs to approve the rules of a recognized professional body of auditors, and an auditor needs to be bound by those rules, before the auditor is qualified for the purposes of auditing the accounts of market-traded companies.

This Order requires the POB to inform the Jersey Financial Services Commission if at any time the POB is not satisfied that certain basic requirements (under Article 112(4) of the Companies (Jersey) Law 1991) are being met by a recognized professional body of which the rules have been approved by the Commission.

The rules that may be approved by the Commission are those of one or more of the following –

- (a) the Institute of Chartered Accountants in England and Wales;
- (b) the Institute of Chartered Accountants of Scotland;
- (c) the Association of Chartered Certified Accountants;
- (d) the Institute of Chartered Accountants in Ireland.

The Order was made on 24th March 2010 and came into force on 5th April 2010.

R&O.33/2010.

This Order revokes –

- (a) the Foot-and-Mouth Disease (Sera and Glandular Products) (Jersey) Order 1958; and
- (b) the Diseases of Animals (Therapeutic Substances) (Jersey) Order 1958.

The provisions of the Orders have been overridden by the provisions of the Medicines (Jersey) Law 1995.

The Order was made on 6th April 2010 and comes into force 13th April 2010.

R&O.34/2010.

Article 1 sets out definitions.

Article 2 allows certain roads to be used at certain times for the road race and time trial in the 2010 Tour de Bretagne.

Article 3 allows those roads to be closed for those events.

Article 4 allows material used for the events to be put on those roads.

Article 5 makes special arrangements for two-way traffic flows in Gorey village and restricts parking in two car parks and on the roads closed for the events in Grouville and St Martin.

Article 6 restricts parking in one car park and on the roads closed for the events in St. Brelade, St. Ouen and St. Peter.

Article 7 requires liability insurance to be taken out.

Article 8 requires public notice of the closures and restrictions to be given.

Article 9 allows police and event marshals to allow access to the roads closed for the events, but also to restrict

access to ensure safety. It also allows access for emergency services.

Article 10 names the Order.

Schedules 1 and *2* specify the roads and times referred to in *Article 2*.

Does the Minister not consider that such measures applied to the provision of the Youth Service place undue strain on partnership agreements with the parishes and other charitable/third sector providers at a time when their funding is also vulnerable?

Will the Minister confirm that this level of reduction in net revenue spend will inevitably result in reductions in the provision of services to young people and ultimately in redundancies amongst Youth workers and would he state the number of F.T.E. job losses that would arise from a 12.7% cut applied pro rata to the Youth Service?”

- b) What evidence does he have to support his statement that “corporate tax per capita” is higher here than elsewhere?
- c) Does the Minister accept that a more valid comparison of corporate tax between jurisdictions is the percentage of profits paid as tax?
- d) Could the Minister confirm that, on 2007 figures, corporate income tax stood at £196m and net profit in the Finance Sector was £1,460m, giving a maximum tax rate for business of 13.4%?
- e) Given that these figures relate to a tax rate of 20%, will the Minister give estimates of tax revenue in real and percentage terms from the finance and non-finance sectors under 0/10 for 2010?
- f) Will the Minister publish a comparison of corporate tax take as a percentage of profit with appropriate jurisdictions including other offshore centres?”

19. The Chairman of the Privileges and Procedures Committee will table an answer to the following question asked by Deputy T.M. Pitman of St. Helier -

20. The Minister for Home Affairs will table an answer to the following question asked by Deputy T.M. Pitman of St. Helier -

“Further to the written and oral answer given on 9th March 2010 relating to the suspension of 2 officers from the States of Jersey Police for just less than 18 months would the Minister advise -

- a) which person within the States of Jersey Police was responsible for taking the decision that resulted in the suspension of two police officers and whether the individual responsible for the original decision to suspend them was the same person who made the decision to re-instate them without charge? If so, does the Minister believe that this shows sound judgement?
- b) that the costs listed in the answers of 23rd March 2010 showed the total cost to the States of Jersey Police of these suspensions and included all ancillary matters such as staff costs and overtime to cover the suspended officers?”

21. H.M. Attorney General will table an answer to the following question asked by Deputy T.M. Pitman of St. Helier -

Will the Attorney General also clarify whether the issue of Mr. Maguire’s stated terminal illness at the time was ever discussed in any shape or form as a potential justification/reason for not pursuing the case in the 1990’s?”

22. The Minister for Economic Development will table an answer to the following question asked by Deputy

T .M. Pitman of St. Helier -

- “a) Given that Jersey Post has worked hard at improving efficiency, including the use of voluntary redundancy packages, and is only 4 months into a four-year plan, what action, if any, will the Minister be taking following the decision of the Jersey Competition Regulatory Authority (JCRA) to advise the public of its proposal to issue a Class 1 Postal Operator’s Licence to convey Large Letters and Packets to Citipost DSA Ltd and Hub Europe Ltd?
- b) Would the Minister set out the impact that the grant of such licences will have for Jersey Post and confirm that the bulk mailing represents the core profit-making aspect of its operations? Would he further state whether the introduction of competition will lead to job losses and increased long-term costs for the public and would he state whether or not he supports the introduction of competition in this area?
- c) Would the Minister state how both Jersey Post and competitors can survive and thrive financially in the years ahead within such a limited market where the comparatively unprofitable but socially essential daily mail delivery to domestic and business customers alike is intrinsically dependent on the more profitable side of the business?”

26. The Minister for Social Security will table an answer to the following question asked by Deputy S. Pitman of St. Helier -

“Will the Minister accept that the treatment of those on Income Support wishing to undertake educational/training at Highlands or elsewhere has led to inconsistent advice being given to applicants in some cases? Will he produce a definitive list of what courses are acceptable and ensure that all Income Support staff and applicants are made aware of it?

Will he also ensure that the “access to Education” course, successful completion of which is bound to improve a student’s earning capacity, is accepted on this list, and if not why not?

30. The Minister for Home Affairs will table an answer to the following question asked by the Deputy of St. Martin -

“On 11th September 2009 the States unanimously approved P.122/2009 and agreed to establish an Independent Custody Visitor Scheme to commence no later than 1st February 2010; will the Minister inform members why the Scheme is not operating yet and when is it likely to commence?”

If so, would he state when he envisages this taking place and if not would he set out the grounds for his objection? Would the Chief Minister also list any other considerations in favour or otherwise of an inquiry, as promised by the former Chief Minister?”

33. The Minister for Home Affairs will table an answer to the following question asked by the Deputy of St. Mary -

“In view of the public concern over the suspension of the current Chief Officer of the States of Jersey Police and the intended appointment of the Acting Chief Officer as Chief Officer, and to inform members in this vital matter, will the Minister provide an official chronology of the three letters which were used during the actual act of suspension in November 2008, namely the letter from the then Minister for Home Affairs to the Chief Executive initiating disciplinary action under the Disciplinary Code for the Chief Officer of Police, the letter from the same Minister to the Chief Officer notifying him that the disciplinary process had commenced and the letter of written notification that the Chief Officer was suspended from duty, giving an explanation of who created them, when, and why?”
