R&O.73/2016.

This Order amends Schedule 1 to the Aircraft Registration (Jersey) Law 2014 to include the Crown Dependencies of Jersey, Guernsey and the Isle of Man in the list of countries in Schedule 1 to the Aircraft Registration (Jersey) Law 2014. The effect of the amendment is that a body incorporated or undertaking established in, or a resident of, Jersey, Guernsey or the Isle of Man is a qualified person for the purposes of the Aircraft Registration (Jersey) Law 2014 and as such may hold a legal or beneficial interest in an aircraft registered in Jersey.

The Order was made on 8th July 2016 and came into force on 9th July 2016.

R&O.79/2016.

This Order makes transitional provisions relating to the commencement of the Children's Property and Tuteurs (Jersey) Law 2016 (the "Law", by virtue of *Article 1* which is the interpretation provision).

Article 2 provides that upon commencement the Law shall apply to existing *tuteurs*, with certain modifications: for example there is no need for an existing *tuteur* to take the oath in the new form required by the Law, and the timetable for submission of accounts in Schedule 2 to the Law is modified. However this application of the Law does not invalidate the appointment of existing *tuteurs* and the Law will be disapplied where the minor in question reaches full age (or dies) between the commencement of the Law and 1st January 2017. *Article 2* also makes clear that the Royal Court may exercise its powers under the Law even where there is an existing *tuteur*, for example to discharge that *tuteur* or to appoint an additional *tuteur*, where necessary.

Article 3 is a provision to save any rights of action which may have accrued against existing *tuteurs* or *électeurs* of an existing *tutelle* (although in most other respects functions of *électeurs* are not preserved: see *Article 2(2)*).

Article 4 gives the title by which this Order may be cited, and provides that it comes into force upon commencement of the Law.

The Order was made on 26th July 2016 and comes into force in accordance with Article 4.

R&O.80/2016.

This Order gives effect to Council Regulation (EU) 2016/1165 of 18 July 2016 amending Regulation (EC) No 1183/2005 imposing certain restrictive measures directed against persons acting in violation of the arms embargo with regard to the Democratic Republic of the Congo (OJ L 193/15, 19.7.2016). The effect of the amending Regulation, which, by this Order, is given effect in Jersey, is as follows –

- (1) The derogation from the prohibition of giving technical assistance, financing or financial assistance or brokering services to non-governmental entities or persons operating in the Democratic Republic of Congo (DRC) is extended to cover where that assistance or services relate to other sales and supply of arms and related materiel that is approved in advance by the Sanctions Committee (a Committee of the Security Council of the United Nations); and
- (2) Two of the matters included within acts the supporting of which leads to the assets of persons, entities or bodies being frozen are varied so as to include –

- (a) planning, directing or committing of all acts in the DRC that constitute human rights violations or abuses or violations of international humanitarian law; and
- (b) supporting criminal networks involved in destabilising activities in the DRC through the illicit exploitation of natural resources.

The Order was made on 28th July 2016 and came into force on 29th July 2016.

Residents of the properties marked on the plan would be entitled to apply to the Connétable of St. Brelade for up to 2 non-transferable parking permits per household subject to a maximum number of 60 permits available to be issued by the Connétable. The annual fee per parking permit is £48.
