**NOTIFICATION OF STANDING ORDER DECISIONS -
FINANCE AND ECONOMICS COMMITTEE
(delegated functions)**

5th June 2002

- (a) as recommended by the Agriculture and Fisheries Committee, the lease to Bel Val Farm Limited (Mr. Colin de la Haye) of Fields Nos. 445, 447 and 448, St. Martin (measuring 6.02, 2.13 and 3.07 vergées respectively), for a period of three years deemed to have commenced on 1st August 2001, at an annual rent of £1,100 (no rent review), with the Committee retaining the right to give six months written notice at any time during the lease to terminate the agreement but only in relation to Field No. 445, and on the basis that each party would be responsible for its own legal costs arising from this transaction;

- (b) as recommended by the Health and Social Services Committee, the lease to Dr. Andrew Nisbet and Mrs. Pamela Margaret Nisbet, née Wragg, of the 'j' category three-bedroom property known as No. 5 Paddock End, La Rue à Don, Grouville, for a period of five years from 21st May 2002 on an internal repairing basis, at an annual rent of £13,200 payable monthly in advance, subject to annual review in line with the Jersey Retail Price Index figure at 21st May each year, with an option to break the lease after a period of three years. Each party would be responsible for the payment of its own legal costs arising from this transaction and no deposits were to be paid;

- (c) as recommended by the Agriculture and Fisheries Committee, the sale to Mr. Colin Stanley de la Haye and Mrs. Paulette Lamy de la Haye, née Renouf, of Field No. 358, St. Catherine, St. Martin for a consideration of £2,000, on the basis that Mr. and Mrs. De la Haye would be responsible for the legal costs of the public arising from this transaction. (The Committee rescinded sub-sub-paragraph (a)(ii) of its Act No. A2 of 9th April 2001 accordingly).

QUESTION PAPER

(See Item G)

Deputy G.P. Southern of St. Helier will ask the following question of the President of the Housing Committee -

- (a) Can the President confirm that F.B. Cottages Housing Trust operates an allocation policy which states that its housing units are “for Jersey working men and their families” thereby discriminating against single mothers and their families, whereas their Constitution states ‘To provide residential accommodation to *persons* in the Island considered by the members in their absolute discretion to be in need of such accommodation’?
- (b) will he outline the steps he will take to ensure that such discrimination ceases?

The Deputy of St. Peter will ask the following question of the President of the Harbours and Airport Committee -

Would the President inform the Assembly why the Committee has not acquired the property Sous l'Eglise, St. Peter from the Health and Social Services Committee, bearing in mind that it was identified by the Civil Aviation Authority as being a safety hazard some years ago?

The Deputy of St. Martin will ask the following question of the President of the Legislation Committee -

Would the President please inform members -

- (a)
 - (i) of the progress of the Draft Legal Practitioners (Jersey) Law 200-; and the two related pieces of legislation, the Law Society of Jersey Law 200-; and the Law Society of Jersey Bye Laws 200-?
 - (ii) when the draft Laws are likely to be lodged?
 - (iii) the reason for the continuing delay in lodging these Laws?
- (b) of the monitoring system the Committee has in place to ensure that draft legislation is not unnecessarily delayed, in view of the many years it has taken to complete the work on the above legislation?

Deputy R.C. Duhamel of St. Saviour will ask the following question of the President of the Harbours and Airport Committee -

- (a) What is the current staffing level and grade structure of the Meteorological Department?
- (b) has the Committee or its officers, in the last six months, entered into discussions with any third parties with a view to the provision of meteorological services to the Airport, Harbours or the general public, to replace any of the services currently provided by the Meteorological Department?
- (c) if the answer to (b) is in the affirmative, how many locally based staff would be required to assist in the provision of meteorological services to the Island after all or part of these services have been contracted out?

- (d) would the loss of jobs within the Meteorological Department be detrimental to the range of scientific and technical job opportunities available to local residents?

Deputy P.F.C. Ozouf of St. Helier will ask the following questions of the President of the Agriculture and Fisheries Committee -

1. Would the President advise if the Committee has considered the report of the Policy Report 2001 Review Group and if so -
 - (a) what are the main conclusions of the Review Group on the Policy Report?
 - (b) what is the Committee's response?
2. Would the President inform the Assembly as to the progress of the dairy industry exit plan, specifically the level of take-up and reconciled cost to the public?

Deputy L.J. Farnham of St. Saviour will ask the following question of the President of the Health and Social Services Committee -

Would the President advise members -

- (a) how many staff were employed by the Health and Social Services Department, in both FTE and headcount terms on 1st January 1996 and each anniversary to the present, split by (i) grade and (ii) function – administration, medical, nursing and manual workers?
- (b) the costs for the above?
- (c) how many employees in each case, and by grade, had permanent or temporary 'J' Category housing status on 1st January 1996 and each anniversary to the present?
- (d) of the Committee's policy on awarding 'J' Category consents under delegated authority from the Housing Committee?
- (e) how many 'J' consents the President expects his Department to issue in 2002, 2003 and 2004 in order to achieve its recruitment targets?

The Deputy of St. Peter will ask the following question of the President of the Health and Social Services Committee -

Will the President -

- (a) confirm that Sous l'Eglise, St Peter, a property identified by the Civil Aviation Authority and the Harbours & Airport Committee as being a safety hazard which should be demolished, has recently been refurbished and re-occupied?
- (b) indicate whether a health risk assessment has been carried out by Environmental Health Department before that decision was taken, and what the findings, if any, were?

Senator S. Syvret will ask the following questions of the President of the Public Services Committee -

1. Would the President provide members with a detailed description of the Bellozanne incinerator ash handling and

storage processes and methodology used from production to disposal?

2. What steps does the Committee propose to take to prevent a statutory nuisance occurring to the occupants of property in the vicinity of the Bellozanne Works?

Deputy P.F.C. Ozouf of St. Helier will ask the following question of the President of the Health and Social Services Committee -

On 11th June 2002, in reply to the question on comparable health funding, the President quoted the United Kingdom's real growth figure for 2002-2003 was 7.4 per cent. Would the President give the comparable figure for Jersey on a like for like basis?
