

I do not think it is fair for the Police to charge us again for their services at Jerseylive?

If events such as the Battle of Flowers and Air Display are exempt from Police charges - why should Jersey Live be any different? It has grown fantastically over the last few years and it is always a great day out. Why should everyone attending be expected to pay for the police that only have to deal with a small minority of people!!

Jerseylive is a great asset to Jersey and the States should be happy to contribute to an event that is attended by so many of its tax payers.
