**P.40/2018 Draft Armed Forces (Vehicles and Roads – Amendments) (Jersey)  
Regulations 201-**

**Jersey Field Squadron – Written Submission – 23 March 2018**

Thank you for your letter dated 20 March 2018 and for the opportunity to highlight any concerns the Squadron has with the proposed amendments to the Armed Forces Regulations. I am content that the Squadron has been regularly consulted. My Military Transport (MT) Staff Sergeant, SSgt Holliday has been involved with the Department for Infrastructure's Senior Traffic Officer and the Law Draftsman's office from an early stage.

As a result of this close consultation, the Squadron currently have no concerns with the proposed amendments.
