Social Security (Collection of Class 1 and Class 2 Contributions) (Amendment No. 2) (Jersey) Order 2022.  
*Minister for Social Security.*

This Order amends the Social Security (Collection of Class 1 and Class 2 Contributions) (Jersey) Order 2013 (the “principal Order”) to amend the date on which payment of Class 1 and Class 2 contributions must be made from a date after the contribution quarter to which they relate to the 15th day of the month following the month in respect of which they are payable.

*Article 1* amends the principal Order. It amends Article 1 to remove the definition of “contribution quarter”, which is no longer needed, and to insert a definition of “payment due date” in relation to Class 1 and Class 2 contributions. This is the 15th day of the month following the month in respect of which they are payable.

It substitutes new paragraphs (1) to (2) into Article 5, which deals with the collection of Class 1 contributions. These replace paragraphs (1) to (4) and specify the payment due date and require that payment of Class 1 contributions are accompanied by the information relating to it that the Comptroller requires, in a form approved by the Comptroller.

It also substitutes a new Article 6, which deals with the collection of Class 2 contributions. This sets out the payment due date, and gives the Comptroller the power to extend it by up to 2 months in any particular case or type of case. Payment of Class 2 contributions are to be accompanied by the information relating to it that the Comptroller requires, in a form approved by the Comptroller.

*Article 2* makes a consequential amendment to the Social Security (Contributions) (Covid-19) (Jersey) Order 2020.
