RECOMMENDATIONS

The only Recommendations of the Scrutiny Panel that are relevant for the Minister for Planning and Environment are Nos. 17 and 27. The response to these is as follows –

| | Recommendations | To | Accept/ Reject | Comments | Target date of action/ completion |
|----|---|-----------------|---------------------------|---|--|
| 17 | Recommendation: The <i>Code of Practice</i> should also contain a requirement for all CCTV operators to make the public aware of the location of cameras, the purpose of systems and any data matching that may take place. (paragraph 217) | HA CM P&E | Accept | The Minister for Planning and Environment supports the principle of including more information regarding CCTV cameras in any Code of Practice. | N/A |
| 27 | Recommendation: The Panel recommends that the Planning Minister gives serious consideration to reviewing the classification of CCTV as permitted development and follows the example of Scottish legislation on this matter. (paragraph 236) | P&E | Accept | The Minister for Planning and Environment will consider reviewing the classification of CCTV as permitted development [Planning and Building (General Development) (Jersey) Order 2011] when these are next reviewed. | Q4 2014/ Q1 2015 |
