STATES GREFFE

## **PROPOSITION**

**THE STATES are asked to decide whether they are of opinion –**

in accordance with their Act dated 9th November 1961, as amended, concerning the membership of the Manual Workers' Joint Council, to approve the nomination of 5 of the 6 representatives of the States to serve as members of the Employers' Side of the Council for 2010, as follows –

Senator Paul Francis Routier  
Deputy Andrew Kenneth Francis Green M.B.E.  
Deputy Chief Executive and Chief Officer of the Resources  
Department  
The Chief Officer, Transport and Technical Services  
The Chief Officer, Health and Social Services.

CHIEF MINISTER

## **REPORT**

The Employers' Side membership comprises 5 representatives of the States and one representative of the Connétables.

The Employers' Side represents the Executive in negotiations with Unite Union (TGWU Section) on Manual Workers' pay and conditions of service. The nominations for the States' representatives have been based on the fact that they are Assistant Ministers or Chief Officers of departments employing significant numbers of Manual Workers. Until a permanent replacement has been appointed to the position of Chief Officer, Health and Social Services, in order to maintain a consistent approach, it is intended that the Acting Chief Officer of Health and Social Services fill the position.

### **Financial and manpower implications**

There are no financial or manpower implications arising from this proposition.
