Dear Chair,

Government Plan 2024-2027: Comments

Thank you for sharing the EH&I Panel recommendations, as part of the Panel's Comments to the Proposed Government Plan 2024-2027:

RECOMMENDATION 4: The Minister for Housing and Communities should work with the Government of Jersey communications unit to establish a public awareness campaign throughout 2024 and beyond to ensure that Islanders are better informed about the Housing Advice Service.

I confirm that I agree to this recommendation, and I am pleased to say that I am already working with our Communications Directorate to promote the important work of the Housing Advice Service.

I hope to update you on details of the campaign in due course.

Yours sincerely,
