Dear Mr Benbow,

**P.36/2023 Draft EU Legislation (Information Accompanying Transfers of Funds)
(Amendment) (Jersey) Regulations 202-**

Following the lodging of the Draft EU Legislation (Information Accompanying Transfers of Funds) (Amendment) (Jersey) Regulations 202- ([P.36/2023](#)) (the proposed Regulations) the Economic and International Affairs Panel (the Panel) is seeking further clarification on the impact of the potential legislation.

The Panel would therefore be appreciative of any views of the Law Society of Jersey on the proposed Regulations. This includes the following points:

1. What specific consultation with the Law Society of Jersey and the wider legal profession has been undertaken with respect to the proposed Regulations, noting that a wider public consultation has taken place?
2. Have any issues or concerns been raised?

Noting that the proposed Regulations will be debated shortly, we would be grateful if you could respond to this letter at your earliest convenience.

If you have any questions regarding this or our work in general, please do not hesitate to contact me. Please note that unless otherwise stated, all letters will be uploaded to the Scrutiny website as a matter of course.

Yours sincerely,

Deputy Moz Scott
Chair
Economic and International Affairs Scrutiny Panel
