

**WRITTEN QUESTION TO THE MINISTER FOR TREASURY AND RESOURCES  
BY DEPUTY J.A. MARTIN OF ST. HELIER  
ANSWER TO BE TABLED ON TUESDAY 20th NOVEMBER 2012**

**Question**

Further to the statement made by the Assistant Minister at the lunchtime briefing on the proposed Police Headquarters on 7th November 2012 that the Police have been offered 40 dedicated car parking spaces for staff cars within a 100 yard walk of the new site, would the Minister please state where these spaces are to be located?

**Answer**

On the 1st September, 2012, a private landowner in the area wrote to the Chief of Police with the offer of secure off-road private parking which could be used for staff.

The landowner has requested that the details of this offer, including location, remain confidential for the time being, but has consented to a redacted version of his letter being provided in response to this question.

The attached letter is self explanatory.

An initial meeting has been held with the landowner.

1<sup>st</sup> September 2012

Dear Sir,

**New Police HQ: Additional car parking / compound for up to 40 vehicles.**

We are in a position to offer the Police Service (and the States of Jersey) the opportunity to rent long-term, secure off-road parking within 75 yards of the proposed new police headquarters at Green Street.

This compound is capable of parking up to 40 vehicles and has access to Green Street and the new headquarters buildings via [REDACTED] which is directly adjacent to [REDACTED] and your proposed new building.

If you are interested in pursuing this opportunity, would you please get in touch with us at the address above?

Yours sincerely

[REDACTED]
